

SELECT SERVICE

Select Service by Select Building Group is a specialized, rapid-response solution designed to meet the commercial industry's need for quick, high-quality repairs and light projects. Our dedicated traveling team is skilled in a variety of essential services, from concrete repairs and floor preparation to cleanup, light carpentry, and light demolition. We also handle furniture moving and provide general "odd jobs" to help keep your business operating smoothly. With Select Service, you can expect efficient, professional work completed to the highest standard, whether it's a small fix or a larger-scale project that requires prompt, reliable attention.
